## Additional Benefit Information

Deductibles met in the fourth quarter are carried forward to the following calendar year.

\*Non-participating dentists may balance bill. Subscribers are responsible for the difference between the non-participating maximum plan allowance and the full fee charged by the dentist.

## Delta Dental Premier

### Easy Access and Great Value — Your Delta Dental Network

As a Delta Dental Premier subscriber, you have access to the most extensive dental network in Massachusetts, with more than 6,000 dentist locations in Massachusetts.

With Delta Dental Premier, you enjoy the greatest savings in out-of-pocket expenses when visiting a dentist who participates in the Delta Dental Premier network. Participating dentists typically accept discounted fees for their services, and since your co-payments are based on these fees, you pay lower out-of-pocket costs for your care. You will still receive coverage if you visit a non-participating dentist, but your benefit will be at the out-of-network level shown in the right-hand column of this coverage summary.

To find a dentist, simply visit [www.deltadentalma.com](http://www.deltadentalma.com) (click on the *Find a Dentist* link and select *Delta Dental Premier*) or call Delta Dental customer service at 1-800-872-0500.

The information on this coverage summary should be used only as a guideline for your dental benefits plan. For detailed information on your group's plan, riders, terms and conditions, or limitations and exclusions, refer to your plan's Subscriber Certificate, which is available through your benefits administrator.

If you receive a treatment after you have exhausted your maximum or if you receive a treatment that will cause you to exceed your maximum, you may be billed at the dentist's normal rate rather than Delta Dental's negotiated rate.
