* **MOTION:** I move to adopt the CCMHG Steering Committee's recommendation to adopt the following plan design changes for active employee plans effective July 1, 2012:

- change the plan design features of the BCBS Legacy and Rate Saver Network Blue EPO plans and of the BCBS Legacy and Rate Saver Blue Care Elect Preferred PPO plans to the BCBS plan design features described on the charts attached to this motion, and further
- change the plan design features of the Harvard Pilgrim (HPHC) Legacy and Rate Saver EPO plans and the HPHC Legacy and Rate Saver PPO plans to the HPHC plan design features described on the charts attached to this motion; and further
- change the plan design features of the BCBS Master Health Plus and Master Medical plans to the plan design features described on the charts attached to this motion; and further
- to make no changes to Master Medical Medicare Carveout A plan (frozen enrollments/8 enrollees).
