

\$9 Medications

Blue Cross Blue Shield of Massachusetts offers our members 90-day supplies of certain generic medications for just \$9 when the prescription is filled through the Express Scripts® Mail Service Pharmacy. The following list includes those medications that are available for \$9. Normal prescription guidelines apply, which in some cases results in prescription supplies for fewer than 90 days. This list is up-to-date as of January 1, 2014, and may be updated from time to time.

If your copayment for a 90-day supply through the mail pharmacy is less than \$9, you will pay the lesser amount. \$9 price is based only on quantities stated below. The price of the medication may differ if the quantity purchased is different. The \$9 price is subject to change, so you should always confirm your cost prior to filling a medication.
