

# Blood Glucose Tracking **MADE SIMPLE**

## **BENEFITS AND FEATURES OF THE ACCU-CHEK® Guide**

Simple to use and virtually painless FastClix lancets

Wirelessly transmits results to your smartphone - no more paper logs

View your trends in easy to understand graphs and tables

Helps identify problem meals/ activities that cause fluctuation in readings

Connects with the Good Health Gateway® Diabetes Care Rewards Program

## The Accu-Chek Guide connects with the Good Health Gateway Diabetes Care Rewards Program

Registered members of the Diabetes Care Rewards Program can choose to receive a **FREE** care package including the following:

- Accu-Chek Guide
- FastClix Lancing Device
- 300 Test Strips

Continue to receive 90-day supplies of test strips at **NO COST to you.**  
*(Even if you are not meeting the requirements of the Diabetes Care Rewards Program)*

Your meter will be set up to share your readings with the **Good Health Gateway** diabetes educators.

Sharing your readings will allow our diabetes educators to provide expert support based on your results.
