

# Announcing *Premier National Network* Effective July 1, 2013

We're pleased to announce an exciting change to your dental benefits. Beginning July 1, 2013, Cape Cod Municipal Health group will be offering you the Delta Dental Premier National Network. Delta Premier members will now be covered when they use Delta participating dentists anywhere in the US. Your current dentist will continue to participate, and nationally, 3 out of 4 dentists belong to the Delta Dental Premier National network. Your benefits are not changing.

#### **Identification Cards**

Delta Dental will send you two new ID cards reflecting the fact you are enrolled in the Delta Dental Premier National Network. All you will need to do is show the new card to your participating dentist! (All ID cards will be issued in the employee's name, but can be used by any dependent covered by the plan.)

#### **Where to Get More Information**

If you have a question about your dental benefits plan, please call Delta Dental's Customer Service Department at (800) 872-0500. To find out if your dentist is part of the Delta Dental Premier National Network, visit our Web site at [www.deltadentalma.com](http://www.deltadentalma.com)
