EYEMANAGE – THE CLIENT PORTAL

Administering your benefits online

MANAGING MEMBERSHIP HAS NEVER BEEN EASIER

We make benefits easy

Whether you need to update membership, pay an invoice or request event support, our client portal is simple to use. Our benefit management tool provides both clients and client-approved third-party users the ability to self-serve in real time.

EYEMED CLIENT PORTAL eyemanage

EYEMANAGE GIVES BENEFIT ADMINISTRATORS ACCESS TO FOUR KEY PERMISSIONS

- Member management
- Enrollment reports
- Billing
- Claims (ASO only)

EYEMANAGE ALSO ALLOWS BENEFIT ADMINISTRATORS TO

- Print electronic ID cards
- Access reporting
- Request event support
- Access newsletters, forms and wellness info
- Submit questions via Contact Us form
- View EyeMed contact and send e-mail

WE MAKE ACCESS SECURE

For assistance with portal access or updates to your existing account, please contact your EyeMed account manager. Please note, third-party users must complete a formal attestation process and be granted client permission to access requested data.
